Job Title: Senior Air Conditioning Technician

Job Type: Full Time

Phone: +1 658 2194480

Job Description:

We're seeking a skilled and experienced technician to join our growing team of highly driven, customer-focused air conditioning technicians. In this full-time role, you'll diagnose, repair, and maintain commercial air conditioning systems, light commercial units, and mini-split systems.

You will be required to:

Troubleshoot and repair malfunctions in HVAC systems

Perform preventative maintenance to ensure optimal performance

Install new equipment, among other tasks.

A minimum of 2 years of experience working on mini-split, light commercial, and commercial air conditioning systems.

Valid driver's license

Ability to work independently and as part of a team

An Air Conditioning and Refrigeration Certificate is a Plus

Please send your resume to: recruitment.avalanche@gmail.com

WhatsApp: 1(658) 219-4480

WE ARE WAITING ON YOU.
