Additional Information:

2011 Hyundai accent, car value around \$600,000 selling as is. Car require some work, head gasket lick due to faulty radiator, needs engine mounts, and a power steering pump, all can easily be sourced online. Little body work also needed for 320k is a great value for your money. Not a migration sale, upgrading and don't have the time to fix it, sure someone would appreciate owning this car. WhatsApp me at 876 318 2248. No reasonable offers would be over looked.
