Description:

Spanning an impressive 6000 square feet, in a private cul-de-sac, comes an exceptional balance of seclusion and community. This 6 bedroom home features thoughtfully re-designed living spaces with contemporary fixtures and refined finishes throughout. The highlight of the home features a 2 bedroom guesthouse perfect for extended family and a flexible floor plan including dedicated space for an executive office, a home gym or both. With the pool as its centerpiece, the expansive yard offers endless possibilities for outdoor living. The homes elevation provides a naturally cool climate while capturing breathtaking views of both the mountains, city, and the most spectacular sunset vistas.
